

## Oral and poster contributions at the sdOB9 conference

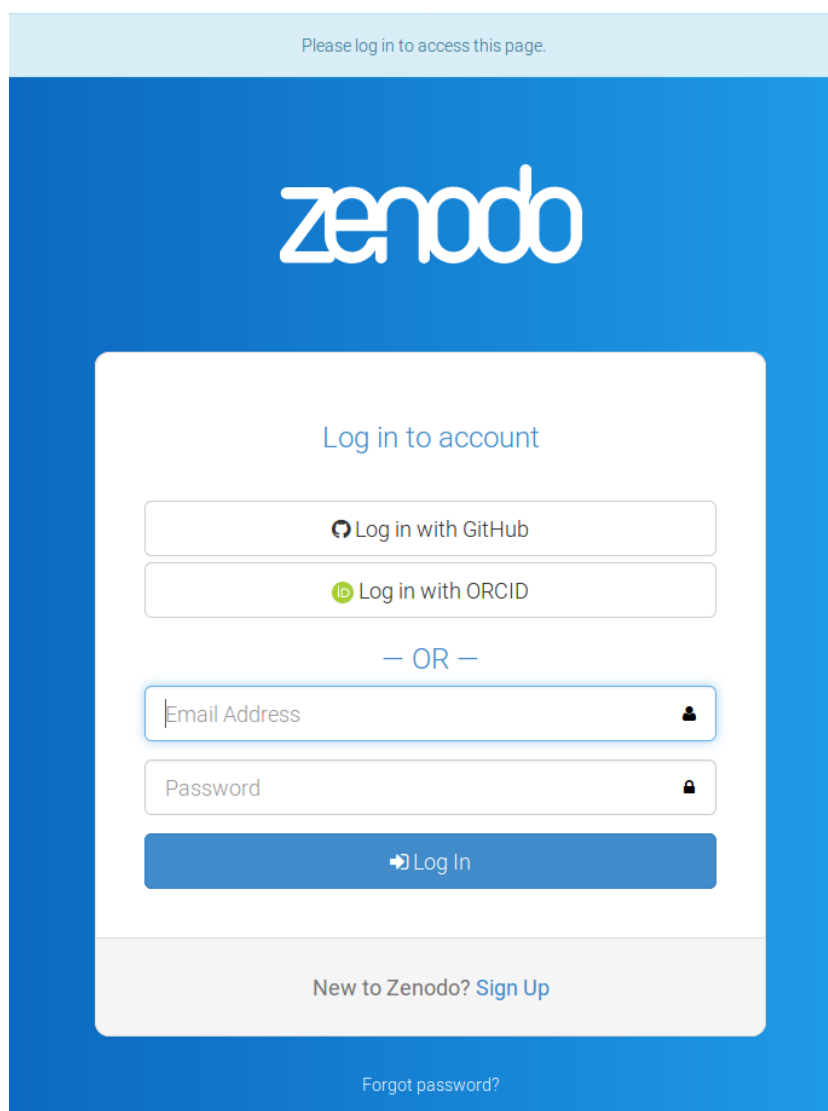

We encourage you to put your presentation slides and/or your full posters online in the [sdOB9 Meeting community](#) on [Zenodo](#). PDF versions of these documents are the preferred format for Zenodo contributions to permit the documents to be previewed in a web browser.

### How to upload your presentation:

Submitting documents to Zenodo is simple. Below is a series of screenshots taking you through the submission process, step by step.

**Step 01:** follow the [link to the submission page of the sdOB9 meeting](#).<sup>1</sup> Click on the green "New upload" button on the right side of the screen.

**Step 02:** if you are not logged in yet, you will be presented with a login screen:

Please log in to access this page.

Choose files

(minimum 1 file required, max 50 GB per dataset - [contact us](#) for larger datasets)

Click the button to choose a file on your local machine, or drag and drop a file directly onto the screen, then click on the green button "start upload" to upload your file on the server.

**Step 04:** After you select a file, you will be able to fill out a wide variety of file metadata on the boxes below the upload box. *Be sure that in the "Communities" box you see "9<sup>th</sup> Meeting on Hot subdwarfs and Related Objects"*. If you do not see this, start typing "sdob9" into the search bar and it will automatically pop up.

**Step 06:** Enter basic information about your publication. *Ignore the DOI field, Zenodo will take care of this for you.* Enter today's date for the publication date, if it's not automatically done for you.

- Enter the title of your poster or talk.
- Enter the name of each author and their affiliation. **Names should be formatted as "Family Name, First name".**
- Enter the abstract in the description field.
- Feel free to fill other fields if you think they are relevant.

**Digital Object Identifier**

Optional. Did your publisher already assign a DOI to your upload? If not, leave the field empty and we will register a new DOI for you. A DOI allows others to easily and unambiguously cite your upload. Please note that it is NOT possible to edit a Zenodo DOI once it has been registered by us, while it is always possible to edit a custom DOI.

**Publication date \***

Required. Format: YYYY-MM-DD. In case your upload was already published elsewhere, please use the date of first publication.

**Title \***

Required.

**Authors \***

<input type="text" value="Family name, given names"/>	<input type="text" value="Affiliation"/>	<input type="text" value="ORCID (e.g.: 0000-0002-1825-0097)"/>

**Description \***

Required.

**Step 07:** Choose access rights and a license for your work. You are strongly encouraged to select Open Access and a permissive license (e.g. Creative Commons Attribution) so that people can easily access your work.

License required ▾

---

**Access right \***

- Open Access
- Embargoed Access
- Restricted Access
- Closed Access

Required. Open access uploads have considerably higher visibility on Zenodo.

**License \***

Required. Selected license applies to all of your files displayed on the top of the form. If you want to upload some of your files under different licenses, please do so in separate uploads. If you cannot find the license you're looking for, include a relevant LICENSE file in your record and choose one of the *Other* licenses available (*Other (Open)*, *Other (Attribution)*, etc.). The supported licenses in the list are harvested from [opendefinition.org](http://opendefinition.org) and [spdx.org](http://spdx.org). If you think that a license is missing from the list, please [contact us](#).

**Step 08:** Fill out information about the Conference as shown below:
